# Project Proposal

---

- Project Application due Nov. 16<sup>th</sup>
- Independent Assessor reviews and scores project applications and makes decisions in Jan – Feb 2018
- Implementation Planning phase January – June 2018:
  - Make implementation plans
  - Conduct environmental scans / needs-gap assessments
  - Finalize target populations
  - Determine partnering providers
  - Outline roles and responsibilities
- Implementation begins July 2018

# Project Plan Timeline

## Accountable Communities of Health Project Plan Assessment Timeline

# Project Work Plan - 2018

---

- Review the project work plan for 2018
- Focus on first six months of the work plan

# Assessments for Projects

---

- Review the assessment requirement across the region
- Questions for the work group:
  - Should there be one large survey to cover all project areas?
  - Focus groups instead of surveys? Both?
  - Who should the survey go to?
  - How do we identify target providers and organizations to receive assessments?
  - Send to only the RFQ participants?
  - All with a large Medicaid population?
- Assessment must be completed by: End of Quarter 1 in 2018
