We serve clients in a 7-county region through a network of Navigators

Here are some ways we will support you:

- Protect your privacy. All information you share is confidential.
- Explain eligibility and enrollment in an insurance plan, including Apple Health.
- Help you understand the benefits and costs of each health plan so you can choose the plan that best fits your needs.
- Provide cultural, language, and disability access through our governing agency, Washington Health Benefit Exchange.
